ERATAC OnePiece Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC OnePiece Mount. This product is designed for versatility and durability, making it an excellent choice for both boltaction rifles and AR10 platforms. This safety instruction guide provides essential information for the safe use, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model before use.
- Always handle firearms with care and follow standard firearm safety practices.
- Store the mount and any accessories in a secure location away from children and unauthorized users.
- Regularly inspect the mount for signs of wear or damage before each use.
- Use the mount only as intended and in accordance with the manufacturer's instructions.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the mount is compatible with your firearm's Picatinny or Weaver rail system.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting that could lead to accidents.
- **Adjustable Levers:** Make sure the QD safety levers are securely locked after adjustment to prevent accidental detachment.
- **Recoil Considerations:** Be aware that improper installation can affect the mount's returntozero capabilities and overall performance under recoil.
- **Environmental Conditions:** Avoid using the mount in extreme weather conditions without proper precautions, as this may affect its performance.
- **Modification:** Do not modify the mount or use it with unauthorized accessories, as this could compromise safety and functionality.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure you have a clean, welllit workspace.
- Verify that the mount and firearm are free from any obstructions or debris.

2. Installation:

- Align the mount with the Picatinny or Weaver rail on your firearm.
- Secure the mount using the adjustable steel QD safety levers.
- Ensure that the levers are fully engaged and the mount is firmly attached before proceeding.

3. Usage:

- Once installed, check the alignment of your optic or accessory mounted on the ERATAC OnePiece Mount.
- Perform a function check to ensure the mount holds zero and is stable under recoil.
- Regularly inspect the mount during use to ensure it remains secure.

Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- If the mount is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the mount in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the ERATAC OnePiece Mount, please refer to the manufacturer's contact information included with your purchase. It is important to have access to support for any safety inquiries or productrelated issues.

Conclusion

By following these safety instructions and guidelines, you can ensure safe and effective use of the ERATAC OnePiece Mount. Always prioritize safety and remain informed about best practices for firearm accessories. Thank you for choosing ERATAC, and enjoy your shooting experience.
