

Two-Piece Ring Mounts - ERATAC Ring Mount, 34 mm, H 10 mm, lever

Mil-Spec Engineering: Crafted from aircraft-grade, high-strength aluminum and finished with a non-reflective, matte black Mil-Spec Type III hardcoat anodization.

Dual Fastening Options: Choose between a standard nut configuration or a tool-free, quick-detach (QD) safety lever system for rapid mounting and removal.

Adaptable Rail Tension: The adjustable aluminum safety levers can be easily fine-tuned to ensure a rock-solid lock on out-of-spec or non-standard Picatinny rails.

Tactical Modular Interface: Boasting a robust 25 mm ring width, every single ring is equipped with the integrated ERATAC UNIVERSAL interface to support secondary optics and accessories.

Attributes

- Name: ERATAC Ring Mount, 34 mm, H 10 mm, lever
- Manufacturer: ERATAC
- Product no.: EU2017954
- Mfr. No.: T4004-0010
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T4004-0010

Safety Instruction Guide for TwoPiece Ring Mounts ERATAC

Introduction

Thank you for choosing the TwoPiece Ring Mounts ERATAC. This product is designed to provide a secure and reliable mounting solution for your optics. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use. Always follow the instructions to avoid risks associated with improper use.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Please stay informed about any recalls that may affect this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements. Verify the product's authenticity and safety certifications.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information, which should be available where the product was purchased.
- **Rapid Alerts:** Stay updated on product safety via the EU's Safety Gate platform. Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the ring mount is compatible with your specific optics and rail system before installation.
- **Inspection:** Before each use, inspect the mount for any signs of damage or wear. Do not use if any parts are damaged.
- **Proper Handling:** Handle the ring mount with care. Avoid dropping or striking it against hard surfaces.
- **Installation:** Follow the installation instructions carefully to ensure a secure fit. An improperly installed mount can lead to accidents or equipment failure.
- **Use of Tools:** If using tools for installation or adjustment, ensure they are suitable for the task to avoid damage to the mount or injury to yourself.
- **Weight Limit:** Do not exceed the recommended weight limit for the mount. Check the specifications for details.
- **Environmental Conditions:** Avoid using the mount in extreme temperatures or weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools (if required).
- Ensure you have a clean, flat workspace.

2. Installation:

- Place the ring mount on the desired position of the Picatinny rail.
- For standard nut configuration:
 - Align the nut with the mount and tighten securely using the appropriate tool.
- For toolfree quickdetach (QD) safety lever system:
 - Position the mount on the rail and engage the safety lever. Ensure it clicks into place.

- Adjust the aluminum safety levers for a secure fit, ensuring no wobble or movement.

3. **Usage:**

- After installation, verify that the mount is securely attached before attaching any optics.
- Regularly check the tightness of the mount during use, especially after heavy use or transportation.

4. **Maintenance:**

- Clean the mount with a soft, dry cloth to remove dust and debris.
- Avoid using harsh chemicals or solvents that may damage the finish.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations.
- **Recycling:** If possible, recycle the aluminum components to minimize environmental impact.
- **Hazardous Materials:** Ensure that any packaging materials are disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the TwoPiece Ring Mounts ERATAC, please refer to the manufacturer's contact information provided at the point of purchase or on the product packaging.

Thank you for following these safety instructions. Enjoy your TwoPiece Ring Mounts ERATAC!
