

Two-Piece Ring Mounts - ERATAC Ring Mount, 34 mm, H 10mm, nut

Mil-Spec Engineering: Crafted from aircraft-grade, high-strength aluminum and finished with a non-reflective, matte black Mil-Spec Type III hardcoat anodization.

Dual Fastening Options: Choose between a standard nut configuration or a tool-free, quick-detach (QD) safety lever system for rapid mounting and removal.

Adaptable Rail Tension: The adjustable aluminum safety levers can be easily fine-tuned to ensure a rock-solid lock on out-of-spec or non-standard Picatinny rails.

Tactical Modular Interface: Boasting a robust 25 mm ring width, every single ring is equipped with the integrated ERATAC UNIVERSAL interface to support secondary optics and accessories.

Attributes

- Name: ERATAC Ring Mount, 34 mm, H 10mm, nut
- Manufacturer: ERATAC

TwoPiece Ring Mounts ERATAC Ring Mount Safety Instruction Guide

Introduction

Thank you for choosing the TwoPiece Ring Mounts ERATAC Ring Mount. This product is designed to provide secure mounting for optics and accessories on your firearm. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** This product is manufactured to meet high safety standards. Ensure that it is used according to these guidelines to minimize risks.
- **Enhanced Recalls:** In the event of safety concerns, you will be notified through standardized recall notices. Always check for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the ring mount for any signs of damage or defects before installation.
- **Correct Fit:** Ensure the mount is compatible with your firearm's Picatinny rail system.
- **Avoid OverTightening:** Do not overtighten the mounting screws as this may damage the mount or the firearm.
- **Use Appropriate Tools:** Use the recommended tools for installation to avoid injury or damage.
- **Regular Maintenance:** Periodically check the mount for wear and tear, and ensure it remains securely fastened.
- **Follow Manufacturer Guidelines:** Always adhere to the manufacturer's instructions for installation and usage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools (e.g., screwdriver, torque wrench) before starting the installation.
- Ensure your workspace is clean and organized.

2. Installation Steps:

- **Step 1:** Place the ring mount on the Picatinny rail of your firearm.
- **Step 2:** Align the mount to ensure it is positioned correctly.
- **Step 3:** Use the standard nut configuration or the quickdetach (QD) safety lever to secure the mount.
- **Step 4:** If using the nut configuration, tighten the nut to the recommended torque specifications.
- **Step 5:** If using the QD system, ensure the lever is engaged and securely locked.
- **Step 6:** Check the stability of the mount by gently shaking it to ensure it is firmly in place.

3. **Usage:**

- Once installed, attach your optic or accessory to the ring mount following the manufacturer's instructions.
- Regularly check the mount and optics during use to ensure everything remains secure.

Disposal Instructions

- **Environmentally Friendly Disposal:** Dispose of the product in accordance with local regulations for electronic and metal waste.
- **Recycling:** Where possible, recycle materials to reduce environmental impact.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the contact details provided by your retailer or manufacturer.

By following these safety instructions, you can ensure the safe and effective use of your TwoPiece Ring Mounts ERATAC Ring Mount. Thank you for your attention to safety.
