

## Two-Piece Ring Mounts - ERATAC Ring Mount, 34 mm, H 18mm, nut

Mil-Spec Engineering: Crafted from aircraft-grade, high-strength aluminum and finished with a non-reflective, matte black Mil-Spec Type III hardcoat anodization.

Dual Fastening Options: Choose between a standard nut configuration or a tool-free, quick-detach (QD) safety lever system for rapid mounting and removal.

Adaptable Rail Tension: The adjustable aluminum safety levers can be easily fine-tuned to ensure a rock-solid lock on out-of-spec or non-standard Picatinny rails.

Tactical Modular Interface: Boasting a robust 25 mm ring width, every single ring is equipped with the integrated ERATAC UNIVERSAL interface to support secondary optics and accessories.

### Attributes

- Name: ERATAC Ring Mount, 34 mm, H 18mm, nut
- Manufacturer: ERATAC
- Product no.: EU2017958
- Mfr. No.: T5004-0018
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T5004-0018

# TwoPiece Ring Mounts ERATAC Safety Instruction Guide

## Introduction

Thank you for choosing the TwoPiece Ring Mounts ERATAC. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the ring mounts for signs of wear or damage before each use.
- Only use the ring mounts with compatible optics and accessories to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any irregularities during use, cease operation immediately and consult a professional.

## Specific Safety Precautions for Use

- **Installation:** Always follow the installation instructions carefully to avoid improper mounting that could lead to accidents.
- **Weight Limit:** Be aware of the weight limits of the ring mounts. Exceeding these limits may compromise safety and functionality.
- **Environmental Conditions:** Avoid using the mounts in extreme weather conditions that may affect performance or safety.
- **Maintenance:** Regularly clean and maintain the mounts to ensure optimal performance and longevity.
- **Storage:** Store the mounts in a dry, cool place away from direct sunlight to prevent degradation of materials.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including any required for your chosen fastening option (nut or safety lever).
- Ensure the mounting surface (Picatinny rail) is clean and free of debris.

### 2. Installation:

- **Using Standard Nut Configuration:**
  - Align the ring mount over the desired location on the Picatinny rail.
  - Secure the mount using the provided nut, ensuring a tight fit without overtightening, which may damage the rail or mount.
- **Using ToolFree QuickDetach Safety Lever:**
  - Position the ring mount on the Picatinny rail.
  - Engage the safety lever until it clicks into place, ensuring it is securely locked.

### 3. Adjustment:

- Finetune the adjustable aluminum safety levers to ensure a secure fit on the rail. This is crucial for maintaining stability during use.

### 4. Usage:

- Once installed, attach your optics or accessories to the ring mounts.
- Regularly check the tightness of the mounts during use, especially after significant movement or recoil.

## **Disposal Instructions**

- Dispose of the TwoPiece Ring Mounts ERATAC in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center or collection point for proper disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the TwoPiece Ring Mounts ERATAC, please refer to the manufacturer's contact information provided with your purchase or on the product packaging.

Thank you for your attention to these safety instructions. Enjoy your experience with the TwoPiece Ring Mounts ERATAC.
