

Two-Piece Ring Mounts - ERATAC Ring Mount, 34 mm, H 25mm, nut

Mil-Spec Engineering: Crafted from aircraft-grade, high-strength aluminum and finished with a non-reflective, matte black Mil-Spec Type III hardcoat anodization.

Dual Fastening Options: Choose between a standard nut configuration or a tool-free, quick-detach (QD) safety lever system for rapid mounting and removal.

Adaptable Rail Tension: The adjustable aluminum safety levers can be easily fine-tuned to ensure a rock-solid lock on out-of-spec or non-standard Picatinny rails.

Tactical Modular Interface: Boasting a robust 25 mm ring width, every single ring is equipped with the integrated ERATAC UNIVERSAL interface to support secondary optics and accessories.

Attributes

- Name: ERATAC Ring Mount, 34 mm, H 25mm, nut
- Manufacturer: ERATAC
- Product no.: EU2017960
- Mfr. No.: T5004-0025
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T5004-0025

TwoPiece Ring Mounts ERATAC Ring Mount Safety Instruction Guide

Introduction

Thank you for choosing the TwoPiece Ring Mounts ERATAC Ring Mount. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product has been designed and manufactured to meet high safety standards. Always ensure safe use, following all instructions provided.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be informed through standardized notices. Ensure you stay updated on any recall information.
- **Online Shopping:** If purchased online, this product is subject to the same safety protections as those bought in physical stores. Ensure your online retailer complies with safety regulations.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used by vulnerable groups. Always supervise children when using this product.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Overtightening:** When installing the ring mount, do not overtighten the screws as it may damage the mount or the rail.
- **Check Compatibility:** Ensure that the ring mount is compatible with your specific Picatinny rail system before installation.
- **Regular Inspection:** Periodically inspect the mount for signs of wear or damage. Replace if any defects are observed.
- **Secure Mounting:** Always ensure that the mount is securely attached to prevent detachment during use.
- **Use Appropriate Tools:** Utilize the correct tools for installation and adjustment to avoid injury or damage to the product.
- **Keep Away from Children:** This product is not a toy. Keep it out of reach of children to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the work area is clean and free of obstructions.

2. Installation:

- Align the ring mount with the Picatinny rail on your firearm.
- If using the standard nut configuration:
 - Place the nut in the designated slot and tighten securely using a torque wrench to the manufacturer's specifications.
- If using the quickdetach (QD) lever system:
 - Position the mount on the rail and engage the safety lever. Ensure it clicks into place.

- Adjust the lever for a secure fit without overtightening.

3. **Finetuning:**

- Use the adjustable aluminum safety levers to ensure a tight fit on the rail. Test the mount stability by gently shaking the firearm.

4. **Usage:**

- When using the mounted optics, ensure the setup is stable and secure. Regularly check the mount during use.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product responsibly. Follow local regulations for disposal of aluminum and other materials.
- **Recycling:** If possible, recycle the product to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the TwoPiece Ring Mounts ERATAC Ring Mount, please refer to the manufacturer's provided contact information for assistance. Ensure you have your product information available for a more efficient response.

Thank you for your attention to these safety instructions. By following the guidelines outlined in this document, you can ensure a safe and effective experience with your TwoPiece Ring Mounts ERATAC Ring Mount.
