Safety Instruction Guide for Adapters for Universal Interface Holder for SWK mit Bubble Level 36 mm, RAL8000

Introduction

Thank you for choosing the Adapters for Universal Interface Holder for SWK mit Bubble Level 36 mm, RAL8000 by ERATAC. This product is designed to enhance precision and safety in your shooting setups. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product documentation.
- Always inspect the product for any damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of shooting accessories.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the adapters only with compatible Picatinny and ERATAC mounting systems.
- Ensure that the spirit level is calibrated correctly before use.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Do not modify or alter the product in any way.
- Always ensure that the product is securely mounted before operation.
- If using the product in a shooting range, adhere to all range safety rules and regulations.

Instructions for Installation and Usage

1. Installation

- Remove the product from its packaging and inspect for any visible damage.
- Identify the mounting system on your firearm or shooting rest.
- Align the adapter with the mounting points on the Picatinny or ERATAC system.
- Securely attach the adapter using the provided hardware. Ensure all screws are tightened according to the manufacturer's specifications.

2. Usage

- Verify that the spirit level is functioning correctly before each use.
- Position the firearm or shooting rest on a stable surface.
- Adjust the angle as necessary using the angle cosine indicator for precise alignment.
- Regularly check the stability of the setup during use to ensure safety.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for materials whenever possible.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety and compliance while using the Adapters for Universal Interface Holder for SWK mit Bubble Level 36 mm, RAL8000. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
