Safety Instruction Guide for Adapters for Universal Interface Holder with Bubble Level for PicatinnyRail

Introduction

Thank you for choosing the Adapters for Universal Interface Holder with Bubble Level for PicatinnyRail. This product is designed to enhance your shooting experience by providing stability and accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always check the product for any visible damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for product recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the weapon is unloaded before installing or adjusting the adapter.
- Verify that the adapter is securely mounted to the Picatinny rail before use.
- Avoid exposing the product to extreme temperatures or harsh conditions when not in use.
- Do not use the product if the bubble vial is damaged or not functioning properly.
- Be mindful of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the weapon is unloaded.
- Clean the Picatinny rail to remove any dirt or debris.
- Align the adapter with the desired position on the rail.
- Securely fasten the adapter using the provided mounting hardware.
- Confirm that the adapter is stable and does not move when pulled.

2. Usage:

- Before taking a shot, check the bubble level to ensure that the weapon is in a vertical position.
- Adjust the position of the adapter if necessary to achieve correct alignment.
- After use, rotate the outer sleeve to protect the bubble vial from impacts.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- If the product is damaged or no longer usable, ensure that it is disposed of safely to prevent any harm to individuals or the environment.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the product documentation or contact the manufacturer directly.
