

Rings with Universal-Interface - Clamp Ring with Universal-Interface 30mm

Battle-Proven Modularity: Designed for installation on either the riflescope's main tube or objective bell, these clamping rings feature the field-proven ERATAC UNIVERSAL interface. This tactical system allows you to attach various Picatinny rail lengths and specialized adapter plates for mounting secondary optics or electronic accessories.

Optimized Split Configurations:

Main Tube Rings: Feature a dual-split (two-piece) design.

Objective Rings: Feature a single-split (one-piece) design.

Note: For riflescopes equipped with an integrated mounting rail on the main tube, only the objective-style rings can be used.

Streamlined and Adjustable Profiles: Each ring has a robust width of 18 mm and a low-profile base height (BH) of 3 mm. If additional clearance is required, the height can be easily increased using optional ERATAC spacer blocks.

Freely Indexable Positioning: When installing the rings onto your optic, the radial orientation can be rotated 360 degrees, allowing you to position your accessories at the exact angle that fits your shooting style.

Duty-Grade Build: CNC-machined from high-strength aluminum and finished with a non-reflective, matte black Mil-Spec Type III hardcoat anodization for maximum corrosion and wear resistance.

Attributes

- Name: Clamp Ring with Universal-Interface 30mm
- Manufacturer: ERATAC
- Product no.: EU2018008
- Mfr. No.: 03680-5730
- Colour: Black
- Delivery weight: 0.08kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: 03680-5730

Safety Instruction Guide for Rings with UniversalInterface Clamp

Introduction

Thank you for choosing the Rings with UniversalInterface Clamp. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully before use to understand how to operate the product safely and effectively.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any damage or defects before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates regarding this product on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to equipment failure.
- Misalignment of the rings can affect accuracy and safety.
- Use of incompatible accessories can result in damage or injury.

- **Avoiding Hazards:**

- Always ensure that the rings are securely fastened before use.
- Do not exceed the manufacturer's specified load limits.
- Ensure that accessories mounted on the rings do not obstruct your view or interfere with the operation of the firearm.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that minors are educated on the safe handling of firearms and related equipment.

Instructions for Installation and Usage

- **Installation:**

1. Begin by ensuring that the riflescope and mounting surfaces are clean and free of debris.
2. Select the appropriate ring configuration based on your riflescope type (main tube or objective).
3. Align the rings with the mounting surfaces and secure them using the provided screws. Ensure that they are tightened to the manufacturer's specifications.
4. If additional height is required, install optional ERATAC spacer blocks as needed.

- **Usage:**

1. Once installed, check the alignment of the riflescope and ensure that it is level.
2. Adjust the radial orientation of the rings as needed to position accessories at your preferred angle.
3. Regularly inspect the rings for signs of wear or loosening during use.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the product is no longer in use or is damaged beyond repair, dispose of it in accordance with local regulations for electronic waste.
- Ensure that any hazardous materials are handled according to local disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Rings with UniversalInterface Clamp, please consult the manufacturer's website or contact customer support through the appropriate channels.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with confidence!
