

Rails - Picatinny-Rail #17 Slider ERATAC ARCA-Rail

Versatile Support Integration: A specialized selection of mounting attachments designed to adapt your slider system seamlessly onto various tactical bipods and tripods.

Picatinny #17® Compatibility: Due to its extended footprint, the Picatinny Rail #17® is engineered exclusively for use with our high-stability, ball-locking slider variant.

Universal Modular Hardware: Aside from the #17® rail, all other mounting adapters and accessory components feature a universal design that can be freely interchanged and installed across both slider configurations.

Safety Instruction Guide for Rails PicatinnyRail #17 Slider ERATAC ARCARail

Introduction

Thank you for choosing the Rails PicatinnyRail #17 Slider ERATAC ARCARail. This product is designed for versatile support integration and is compatible with various tactical bipods and tripods. Please read this safety instruction guide carefully to ensure proper use and safety.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Rails PicatinnyRail #17 Slider by following all instructions. This product is designed to meet EU safety standards.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, verify that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides updates on unsafe products quickly.

Specific Safety Precautions for Use

- **Compatibility:** Use only with the specified Picatinny #17® rail and compatible slider systems. Do not attempt to use with incompatible mounts.
- **Weight Limit:** Ensure that the combined weight of the equipment mounted on the rail does not exceed the manufacturer's specified limits.
- **Inspection:** Before each use, inspect the rail and attachments for any signs of damage or wear. Do not use if any part is damaged.
- **Secure Mounting:** Always ensure that the rail is securely mounted to the bipod or tripod before use to prevent accidents.
- **Avoid Extreme Conditions:** Do not use the product in extreme weather conditions that may compromise its integrity or performance.
- **Proper Handling:** Handle with care to avoid dropping or damaging the rail. Use appropriate protective gear if necessary.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver if required.
2. **Align the Rail:** Position the Rails PicatinnyRail #17 Slider in alignment with the mounting points on your bipod or tripod.
3. **Attach Securely:**
 - Use the provided screws or locking mechanisms to attach the rail.
 - Ensure that all screws are tightened securely to prevent any movement during use.
4. **Check Stability:** Once installed, check the stability by gently pulling on the rail to ensure it is firmly attached.

Usage Instructions

- **Adjusting the Slider:**
 - To adjust the slider, release the locking mechanism and slide to the desired position.

- Resecure the locking mechanism before use to ensure stability.
- **Mounting Equipment:**
 - Attach your equipment to the rail using compatible mounts.
 - Doublecheck that all connections are secure before proceeding.
- **Testing:** Before full use, conduct a test to ensure that the rail and mounted equipment operate smoothly and securely.

Disposal Instructions

- **Disposal:** Dispose of the product in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If applicable, separate components for recycling. Check local recycling guidelines for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Rails PicatinnyRail #17 Slider ERATAC ARCARail, please consult the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure a safe and effective experience with your Rails PicatinnyRail #17 Slider ERATAC ARCARail. Thank you for your attention to safety.
