Adapters for Universal Interface Safety Instructions

Introduction

Thank you for choosing the Adapters for Universal Interface. This product is designed to enhance your shooting experience by allowing the mounting of auxiliary optics and accessories. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the adapter is compatible with your ERATAC riflescope mount before installation.
- Always handle the adapter with care to avoid damage.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the adapter for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of tactical accessories.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for mounted accessories.
- Ensure that all screws are securely tightened before use to prevent any accidental detachment during operation.
- Avoid using the adapter in extreme weather conditions that could affect its performance.
- Use only recommended accessories that are compatible with the adapter to avoid hazards.
- If you notice any unusual behavior or instability while using the adapter, discontinue use immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools, including the provided Torx mounting screws.
- Align the adapter with the mounting points on your ERATAC riflescope mount.
- Insert and tighten the Torx screws securely but avoid overtightening, which could cause damage.
- Ensure the adapter is firmly attached and does not wobble.

2. Usage Instructions:

- Once installed, mount your auxiliary optics or accessories according to the manufacturer's instructions.
- Adjust the secondary optic or accessory to your preferred position while ensuring it does not obstruct the main scope's elevation and windage turrets.
- Regularly check the stability of the mounted accessories during use.

Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions regarding the safety and use of the Adapters for Universal Interface, please refer to the provided contact information from your retailer or the manufacturer. Always ensure you have access to support for any safety inquiries.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Adapters for Universal Interface. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
