

Adapters for Universal Interface - Spacer, BH 10,0 mm

Ergonomic Optic Elevation: This premium 10 mm riser is designed to interface seamlessly with the ERATAC UNIVERSAL system, allowing shooters to adjust the height of their red dot sights and Picatinny attachments for optimal ergonomics and a natural cheek weld.

Clear Field of View: Perfect for clearing obstructions, this spacer elevates your secondary optic to prevent large objective bells on primary scopes or other rail-mounted accessories from crowding your sightline. The result is a completely unobstructed, clean, and comfortable target picture.

High-Strength, Lightweight Billet: Precision-machined from high-grade aluminum and finished in a matte black hardcoat, this spacer provides maximum structural stability without adding unnecessary bulk or weight to your platform.

Multi-Mission Versatility: Engineered to withstand heavy recoil, the ERATAC 10 mm spacer is the ideal solution for hunting, competitive sports, and tactical applications requiring precise, duty-grade accessory positioning.

Safety Instruction Guide for Adapters for Universal Interface Spacer, BH 10.0 mm

Introduction

Thank you for choosing the Adapters for Universal Interface Spacer, BH 10.0 mm. This product is designed for optimal performance and safety in various applications, including hunting, competitive sports, and tactical uses. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions outlined in this guide. This product is designed to meet EU safety standards.
- **Enhanced Recalls:** Stay informed about potential recalls. If a recall is issued, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, verify that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may cause equipment failure.
 - Misuse of the product may lead to injury or damage.
- **Avoiding Hazards:**
 - Always ensure the spacer is securely attached before use.
 - Do not exceed the recommended weight limit for accessories mounted on the spacer.
 - Regularly inspect the spacer for any signs of wear or damage.
- **Audience Specific Warnings:**
 - This product is intended for adult users only. Do not allow children to handle or use the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm or mounting platform is unloaded and safe.
- Locate the Picatinny rail on your firearm or mounting platform.
- Align the spacer with the desired position on the rail.
- Secure the spacer using the provided mounting hardware.
- Tighten the screws firmly, but do not overtighten to avoid damaging the spacer or rail.

2. Usage:

- After installation, attach your red dot sight or other accessories to the spacer.
- Ensure all attachments are securely fastened.
- Adjust the height of the red dot sight or accessory for optimal ergonomics and a natural cheek weld.
- Regularly check the stability of the spacer and attachments during use.

Disposal Instructions

- When disposing of the product, ensure that it is done in an environmentally responsible manner.
- Follow local regulations for the disposal of aluminum and other materials.
- If in doubt, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of this product, please refer to the contact information provided by the retailer from whom you purchased this product.

Thank you for your attention to these safety guidelines. Enjoy the enhanced performance and versatility of your Adapters for Universal Interface Spacer, BH 10.0 mm.
